Haiti Earthquake Appeal: We had a tremendous response to our appeal for the Haiti Earthquake. We have raised the magnificent sum of £1844.72 and this money has been sent to UNICEF, a charity which will use the money for the children of Haiti.

Thank you to everyone, parents, carers, children and staff who all contributed generously.

The Royal Gunpowder Mills: We often take the children to the Royal Gunpowder Mills for educational visits and they have advised us of some forthcoming events, so if you are looking for something to do with the family you can visit their website www.royalgunpowdermills.com or telephone 01992 707370.

Lost Property: A girl's light pink puff jacket has been in lost property all week. Please check and collect if it belongs to your child.
