**REMINDER:** If your child attends any out of school sport or dance clubs/classes, please can you return the form sent out with the newsletter on 25<sup>th</sup> January to your class teacher a.s.a.p. Thank you.

**Lost Property:** Please come and collect any lost property. The boxes will be emptied and all clothes recycled at the end of the term.

**E Safety:** Next Tuesday, 9<sup>th</sup> February, is Safer Internet Day. The children will be doing work in their classes on E safety as part of the PSHE/ICT curriculum. These lessons are specifically aimed at young children of Infant age. There will be a leaflet coming home next week for parents/carers which will give more information on how you can safeguard your children at home. At a later stage we hope to arrange for someone from the borough to come and talk to parents/carers.

**School Council:** On the back of this letter there is a note from the School Council who were delighted at the response for the Haiti Appeal.

Year 1 Councillors have now been elected by their peers and will be joining the Year 2 School Councillors who meet regularly on a Tuesday.

Congratulations to the following children:

Isabella Gardner Diamond	- Class 5
Ben Rebaire	- Class 5
Thomas Gubb	- Class 7
Lois Pinnock	- Class 7
Alex Diamond	- Class 8
Isabelle Nash	- Class 8
Marina Bissessur	- Class 9
Alex Mottram	- Class 9

I'm sure that they will all make an excellent contribution to the School Council. Please remember that School Council Minutes can be found on the school website.

**Year 1 Visit to the Mosque:** As part of their RE curriculum, Year 1 will be visiting the Palmers Green Mosque. A letter will be coming out today giving details. This is an exciting opportunity for us to build on the children's experience of visiting places of worship as last term they were able to visit a local church.

**Flora Cooking with Schools:** Thank you for all your help collecting the Flora "Cooking with schools" tokens last year. We were able to get some new mixing bowls, baking trays and other kitchen utensils. 2010 is the last year this campaign is running so please look out for the tokens (on

special packs of Flora) and send them into school. You can also register any tokens online at [www.cookingwithschools.co.uk](http://www.cookingwithschools.co.uk). Thank you for all your support. Candice Ferrand, D & T Co-ordinator.

**Coming to school on time:** To remind parent/carers that the bell to enter school is 8.50 a.m.

**Year Two** - children should be in line and ready to go into classrooms.

**Year One** - the door is open from 8.45 a.m. to allow the flow of children to come into school by themselves. Children need to be in their classrooms by 8.50 a.m. as the registers are taken promptly. Please do not send your children up the slope to the entrance door before it is open.

Please can you also ensure that Reception children wait until the first rush of Year One children come in.

The doors will now close promptly at 8.55 a.m. If your child is late, you need to bring them to the office and sign in late please.

**Foundation Stage** - we have arranged a more flexible entrance, although the majority are now in school by 8.50 a.m.

We have been pleased with the independence that children have shown in entering the school in this way whilst the building work continues. Foundation Stage teachers will receive their classes in the usual way until February half term.

We will review our procedures and inform you of any changes.
