**World Book Day:** Don't forget to use your World Book Day £1 vouchers - you have until the end of March to redeem them (and of course these can also be used at our Book Fair).

Thank you to everyone who took part in the events - especially the dressing up which was a great success, your kind donations raised a total of £240.00 which will be used to buy more new books for the classrooms. The children also took part in many other book related activities in their own classes and we plan to put some pictures of these activities on our website in the near future. Hopefully all the children were inspired to pick up a book and read!

**School Book Fair:** Please try and come along to the Book Fair next week. It will take place in the hall on Wednesday 17<sup>th</sup> and Thursday 18<sup>th</sup> March after school and Friday 19<sup>th</sup> March during the Coffee Morning. Remember not only are there some great books available for your child, but a proportion of all the money raised comes to the school to purchase class books.

**Head Lice:** There has been several incidences of head lice in the school. It is advisable to check your child's hair and treat using one of the many products available if necessary. Wet combing the hair with conditioner

regularly seems to be an effective remedy. It is also good practice to check the rest of the family.

**RSA - Tombola:** Thank you for your Tombola donations today. Please send back the plate next Friday full of cakes. Don't forget to send in your old toys, books and cuddly toys. Please leave your name at the office if you can help next Saturday (20<sup>th</sup> March).

**www.worldwideweek :** The children had great fun and learning opportunities this week finding out about different places and cultures. The 'food' event was extremely well attended! A huge THANK YOU to all parent/carers/staff who contributed or helped in any way. It was lovely to see such support and interest in the work of the school. If you have not collected your "bowls" etc. please ask in the office after school.

**Reminder:** You should have had letters regarding parent/teacher consultation dates Thursday 18<sup>th</sup> after school and p.m.'s the week beginning 22<sup>nd</sup> March. We also hope you enjoy reading your child's Record of Progress & Achievement.
