**Health & Safety:** Please could we remind you, in order to help maintain the safety of your children, that if your child is being collected by someone different you need to let the class teacher or the school office know in person or in writing. It may be useful for you to put the school phone number (020 8360 5121) into your mobile phone in case you need to change arrangements at short notice, i.e. you are stuck in traffic.

**Primary Science Quality Mark:** We are very pleased and proud to be able to tell you that we have achieved the Silver Standard Primary Science Quality Mark. This award is endorsed by the Wellcome Trust and Association for Science Education and reflects the quality of teaching and learning that takes place.

**Heritage Folk Project:** There is a wonderful display of some project work done by Year 2 pupils past and present. It is at Forty Hall and is based on research of English Folk Dances. Eleven schools in Enfield contributed. Please visit Forty Hall – admittance is FREE (6<sup>th</sup>-16<sup>th</sup> May 2010 10.00 a.m. 4.00 daily). This project is supported by the National Lottery. We will hopefully be taking part in the Dance Festival there later in the year.

**Head Lice:** There have been several incidences of head lice in the school. It is advisable to check your child's hair and treat using one of the many products available if necessary. Wet combing the hair with conditioner seems to be an effective remedy. It is also good practice to check the rest of the family.

**Tesco Vouchers:** Thank you for all the vouchers that have been sent in so far. We have collected 10,600 vouchers and the School Council have chosen some playground equipment. The last vouchers will be issued by Tesco's on Sunday 9<sup>th</sup> May. Please could you send in any remaining

vouchers so that we can complete our order. Thank you again for your support. Mrs Allen, ICT Co-ordinator.

**School Travel and WOW Scheme:** This scheme encourages pupils and parents to walk to school as much as possible or even to split the journey to school so that children walk part of the journey. This scheme aims to cut down on pollution and encourage people to be more environmentally friendly and active. Children will be asked what mode of transport to school they use every day and they are rewarded at the end of each month with a badge if they walk to school as many times as possible.

**RSA Quiz Night:** This event is being held on **Saturday 22<sup>nd</sup> May at 7.30 p.m.** in the Junior Great Hall, Raglan Road. Table of 8 maximum (£50 per table or £7.00 per head). Bring your own drink and nibbles. Supper is provided. Bring some friends and have a great night!
