Our Email Address: office@raglaninfantschool.org.uk

Front Gates: Can you please make sure children are not climbing on the yellow poles/sensors at the front gates to the entrance of the school. We have had to replace the sensors due to damage and these are very expensive. Money spent repairing the damage cannot be spent more directly on the children! Thank you.

I Dance Performing Arts UK: This after school dance/drama/singing class is being held on Fridays after school (3.15 p.m. - 4.00 p.m.) in our hall. Sessions are £3.00 per child per session (£12.00 for first 4 sessions). If you are interested pop into the hall today or next Friday and talk to Angela Procopiou.

EcoACTIVE: Year 2 really enjoyed their Eco-Active workshops this week. The visit linked in well with our topic of Going Green and children enjoyed having visitors to the school. These type of activities really enhance the curriculum and we are only able to do them if we receive the voluntary contribution from parents. If you have not yet paid the contribution of £3.88, please send the money in a named envelope a.s.a.p.

Jeans for Genes Day: Next Friday, 2nd October, is "Jeans for Genes" day and the children may wear jeans/non uniform and bring in £1.00 donation for this charity.

Headlice: We have had a few cases in school recently. Please check your child's hair for head lice and treat if necessary. (Putting long hair in bands would be very helpful).

Photograph reminder: If you wish your child to have a photograph with a sibling who is in the Infant School please return the slip sent home so we can organise our day.

School Packed Lunches: If your child has a school packed lunch please remember to fill in the weekly sheets that are sent home on a Friday. This saves confusion on Monday mornings!

Letter from Governors: Accompanying this newsletter you should find some information from the Governing Body.

Considerate Parking: This week we have received a visit from our Community Police Officers. The reason for the visit was because they have received several complaints from residents about inconsiderate and dangerous parking by parents when they are dropping off and picking up children. Please think carefully before you park both for the safety of all children and to preserve our good relationship with our neighbours.
