**WOW – Walk to School:** Well done to all those who are walking to school. FACT: Every car trip on the school run saved by pupils walking instead reduces CO<sup>2</sup> emissions by 800g – enough to fill over 60 balloons! Well done and keep up the good work.

**Lost Property:** Please collect any lost property. The box, as usual, will be emptied on June 7<sup>th</sup> and anything left will be recycled. Thank you.

**Child Safety Week:** Next term, in the week beginning 21<sup>st</sup> June, we will be having a “Child Safety Week”. During this time we will be doing activities on a number of safety issues including sun awareness, stranger danger and E-Safety. We will also be having some assemblies and are hoping to arrange for some visitors. One of the assemblies will be on sun protection and our policy is available on the school website.

Although we have water fountains in school and in the playground, many children prefer to have a bottle of water in the class. Please remember to put their name on it. Also please remember to bring in hats and apply suncream before school. If for any reason your child needs to wear sunglasses, please discuss this with your child’s class teacher. “Toy” sunglasses are not to be worn as these can break easily and could cause an injury. We do encourage the children to go in the shade on hot days and we have the sun canopy and some natural shade on the field.

Year 2 will be bringing some “sun passports” home next term and other year groups will also be bringing home activity sheets and stickers to reinforce the message. We will send out more information about the week next half term.

**Missing:** A child’s P.E Kit went missing after football club a few weeks ago. Could you please check your own child’s P.E. kit to make sure clothes are marked with their name. The missing kit was named Kerval Foster-Hall so if you do have it by mistake could you please hand it in to the office. Many thanks.

**RSA Quiz Night:** Thank you to everyone who came, we raised just under £700 which is fantastic. Many thanks to Kate & Kevin Sheehan for organising this event.

## **Reminder of our Sports Days:**

**Years 1 & 2** will be held on THURSDAY 24<sup>th</sup> JUNE in the afternoon.

**Reception** will be held on TUESDAY 22<sup>nd</sup> JUNE in the afternoon.

**Nursery** is on FRIDAY 18<sup>th</sup> JUNE.

**Junior Sports Child Safety:** Thank you to our parent/carers who have siblings for your support with the above. We are very satisfied with the diligent arrangements that were put in place to enable the successful events to take place this week.

The safety of your children is always of paramount importance, it is therefore disappointing when a minority do not appear to understand or indeed support such arrangements. It also surprises us when some parents/carers feel the need to challenge staff on school organisation. Both schools continue to be vigilant and challenge any adult be it parent, carer or visitor who may want to enter school premises. Whilst maintaining our high levels of security we also wish to maintain an

open door policy. In the mornings please call the office or write a note to a teacher of any general matters that need to be relayed. If it is an urgent matter we will arrange for you to speak to a member of staff.

Children in Years 1 and 2 are walking into school independently and unaccompanied very successfully now and our levels of lateness have decreased. It is important that classes are registered promptly. Thank you for your support.

Wishing everyone a happy half term break - we look forward to seeing you on Monday 7<sup>th</sup> June.
