**Gymnastics Classes:** Enfield Borough Council have informed us of Gymnastic classes being held for children aged 5+ at Winchmore Secondary School, Monday and Thursday evenings from:

6.10 - 7.10 p.m. or  
7.20 - 8.20 p.m.

Please call 020 8379 3762 to book your place.

**School Packed Lunches:** If your child has a school packed lunch please remember to fill in the weekly sheets that are sent home on a Friday. This saves confusion on Monday mornings!

**Raglan Greek School:** Please see information about this on the back of this newsletter.

**MacMillan Coffee Morning:** It was nice to have a visit by the Mayor at our Coffee Morning last Friday 25<sup>th</sup> September. A big thank you to those parent/carers who were able to support this worthwhile cause. We collected approximately £250! Many thanks also to the staff who contributed the cakes and biscuits.

**Wellington Road Parent/Carer & Toddler Group:** Held at Bush Hill Park Methodist Church, 135 Wellington Road EN1 2RS every Tuesday and Friday 1.30 - 3.00 p.m.

(0-3 yrs) - No waiting list. For more information collect a leaflet from the school office or call 020 8360 0547.

**Health & Safety:** In the mornings when teachers come out to collect classes it would be greatly appreciated if parents/carers of Year 2 children could now say goodbye and then move away and stand behind the line of children. It is often difficult for teachers to see that the children are coming in safely when parents/carers are in the way or cutting through the line of children coming in to leave the playground. All year 2 children are very familiar with the routine of coming into school now.

In the afternoon when coming to collect children could you please not allow younger children to sit/walk on the wall to the slope and ensure that siblings are supervised and not on the slope when classes are trying to come out. We are concerned that an accident may occur.

Y1 are coming in very well in the mornings and almost all children are managing this independently. Well done! Finally, please discourage younger children from playing in the large plastic play houses as this is a potential health & safety hazard. Your co-operation in this matter would be greatly appreciated.
